THE IMPACT ATTORNEY HOLLOWELL HAD ON ME

- . It was an honor to have known such a distinguished yet humble, articulate, dedicated and strong humanitarian.
- . I was impressed with his uncanny ability to listen and dissect information then redirect the dialog in the appropriate direction for positive acceptance and action.
- . It was a privilege to witness his display of his love of God, wife, church and humanity.

OBJECTIVE FOR THE FOUNDATION

My objective for the foundation is multifaceted.

It is as follows:

- **to increase our resources to such a level that we are able to provide full scholarships or other support to those youth pursuing higher educational goals**
- **to become a resource for providing humanitarian relief where ever needed**
- **to expand the golf tournament and associated events into a powerful developmental tool for America's youth through mentoring programs, travel experiences, developing/refining research skills and providing diverse cultural exposure**
- **to make the book, The Sacred Call: A Tribute to Donald L. Hollowell – Civil Right Champion , an intricate part of every library and or media center of the American school system, and**
- **to make the legacy of Attorney Donald I. Hollowell well known through out America.**
